

## CEDAR GIRLS' SECONDARY SCHOOL

11 May 2020

Dear P6 Parent / Guardian,

### **Direct School (Sec) Admission Exercise 2020**

Cedar Girls' Secondary School (CGSS) would like to invite Primary 6 girls to apply for admission to Year 1 in 2021 under the Direct School Admission (DSA) exercise. Students could apply for the 4-year O Level Programme in CGSS or the 6-year Victoria-Cedar Alliance Integrated Programme (VCA IP), which consists of 4 years in CGSS and 2 years in Victoria Junior College (VJC).

At Cedar Girls' Secondary School, your daughter will join a family of young ladies who are enthusiastic and passionate about learning. At Cedar, regardless of where your daughter's strengths lie, we bring out the best in her, transforming her to be a social innovator and passionate learner.

CGSS offers DSA in both the Sports and Social Innovation categories. Our Sports CCAs include Track and Field, Volleyball, Netball, Basketball, Badminton and Table Tennis. DSA (Sports) aims to develop students' talents in various sports while DSA (Social Innovation) aims to develop students' talent in creating user-centric solutions for the community that they serve.

We would like to invite your daughter to join us on this exciting journey. Please refer to the link (<https://cedargirlssec.moe.edu.sg/admissions/direct-school-admission-dsa-to-year-1-in-2021>) provided for more details on our DSA programmes and application details. We look forward to receiving her application.

Thank you.

Yours faithfully

Mrs Chan-Tey Kah Hwee  
Principal  
Cedar Girls' Secondary School
